Executive Director Berlin,

Back in March 2013 I received a request from CARPLS to serve on the Honorary Civic Committee for their 20th Anniversary Golden Gavel Celebration. The event is scheduled for June 6, 2013 at the Art Institute. The correspondence stated that no fundraising would be required as this was simply an Honorary Committee. The value of the complimentary ticket for the event is \$100, \$65 of which can be considered a charitable donation to CARPLS. Our name appears on their literature but not our position with the City of Chicago nor our Department's name.
